www.stcuthbertsway.net

I-Net Support (webmasters) and Walking Support (sponsors) jointly issue a completion certificate to all persons on presentation of a walker's log duly signed demonstrating the Way has been undertaken in a continuous walk.

To verify this, take the log to the locations detailed on the right hand side and get an accommodation or service provider to sign and date the appropriate enter. On completion of the Way fill out the section below (in block capitals) and post the sheet along with the £5 fee to **Walking Support, 2 Wembley Terrace, Melrose, TD6 9QR** and the certificate will be forwarded shortly thereafter.

Presentation of this log will also entitle you and one companion to a 10% reduction in the cost of Walking Support services in terms of planning and booking fees for a period of 1 year.
